**MEETING MINUTES**  
**Board of Directors Meeting**  
**Douglas Public Facility Municipal Property Corporation**

Tuesday, November 19, 2019, at 5:30 p.m.

at

Douglas Golf Course  
1372 Fairway Drive  
Douglas, AZ 85607

1. Call to Order

Meeting was called to order by Mr. Selchow at 5:30 pm

2. Roll Call

Board Members present were: Bosco Selchow, Ruben and Manny Robles, Francisco "Tachi" Durazo, Kevin Alvarado and David Arzate. City Official(s) present was Juan Pablo Flores, Douglas City Attorney, along with Rhiannon Posada being present from the Golf staff.

3. Persons wishing to address the committee in writing or verbally on any item not on the agenda.

(NONE)

4. Report on Balance Sheet and/or Bank Balance(s) update/report on current months for the Douglas Public Facility Municipal Property Corporation, as well as discussion on preliminary audit issues for the MPC Golf.

The current bank balance is \$13,500 with an anticipated \$5K payroll expense representing a quarterly tax bill that is due that will reduce the mentioned balance, along with some new computer expenses at \$800 for upgrades. The MPC Golf Chair reported entity does not have any new or current reports from Larry Moss for the 3<sup>rd</sup> quarter, and Luis Pedroza relayed a message to the Board that he still does not have September numbers from Mr. Moss to do his report. Mr. Arzate generally expressed disapproval to this component from & Bosco Selchow gave an explanation but not an excuse. As to the audit issue it was reported by Mr. Selchow that daily receipts needed to be reported done and that this would be corrected.

5. Information/Discussion, Reporting and possible Decision or Direction pertaining to aspects presented in the periodic standing report from staff regarding maintenance of the golf course MPC facility, equipment and water delivery system.

Seeding and maintenance issues presented w/ one of the 2 back nine pump motors going out, and the service provided. The back-up (secondary) pump was then used and it broke down, as did the back-up pump and after some swapping of parts the team got it working

again. Board talked about the possible problems with the water pumping equipment, age of same and the need for long-term repairs, control panel issues and ideas for fixing same.

6. Information/Discussion and possible Decision or Direction regarding MPC Administrative Action Plan to improve the course and overall condition of the facilities.

The tee tops were planted with most of the fairways receiving seed, and member noted that a meeting needed to be had, as all meetings were informal. Tachi Durazo noted that the action plan is still awaited from Mr. Forrest, and how these actions done need to be prioritized. Weed control and condition of the greens needs to be prioritized per Mr. Durazo, and green repairs for 6 & 9 was given also as a priority item by Bosco Selchow with ideas for these repairs that included harvesting the putting green, or a sod farm. David Arzate mentions we need a list of priorities and accountability for these tasks, as greens are getting worse. Group talked in general about smaller general problems at the golf course.

Two new computers came in today and still have no wi-fi available for the facility until a new independent service can be contracted hopefully within the next week or so.

7. Discussion/Decision regarding facility's rental property current condition, possible lease terms and rate.

It looks like there is interest in the rental, some new appliances will be needed and Board discussed possible rental/lease prices. Some figures were discussed at around \$550, additional duties/responsibilities for tenant with possible utility being separate, legal forms would be provided by the City legal department. There was a motion made by Kevin Alvarado to set rent at \$550 for a 6-month lease to include utilities (electric, water & trash service) and a \$550 deposit. The motion was seconded by Ruben Robles and the item was approved unanimously.

8. Information/Discussion and possible Decision or Direction regarding fees of RV Park and report from City staff on status of talks with City regarding possible access to private RV Park through golf course property.

The Board discussed lowering the RV Park rate from \$350 to \$270, both plus taxes. Bosco Selchow is interested in better competing (from a price perspective) with the private RV Parking, who is the major competitor and as they have garnered the wall project contractors as tenants. Access to the private RV Park was briefly discussed with the possibility of Mr. Foreman providing access to the private concern (later in meeting the Foreman suspicion was confirmed to be inaccurate), and that according to the City it cannot provide access as it is not a road and not up to development standards. There was a motion by David Arzate to lower price to \$270 per month and seconded by Kevin Alvarado, and the item was approved unanimously with a request to update the facility's website with the new rates.

9. Information/Update with a possible Discussion/Decision on current events, updates or concerns at the golf course since the October, 2019 meeting.

FFA group from the HS held their banquet and the bar did well, with tournament coming up this Sunday, and the MPC tournament held 11/10 was apparently well attended. Upcoming events were discussed by Ruben Robles with the toys for tots December event that is always very successful, along with other events for that month were noted, along with January events already planned being presented. New employee was discussed.

10. Discussion and direction/consensus for items to be discussed at future meetings.

Keep the items herein numbered 4,5,6 (David Arzate would like to see an actual list as part of the plan), then also keep items 7,8 and 9 for the next meeting.

11. Adjournment

A motion was made to continue to deny access, as made by Manny Robles and seconded by Ruben Robles to adjourn the meeting at 6:34 pm, and the motion was approved unanimously.

Prepared by Juan Pablo Flores, Douglas City Attorney.
